## Servicing

Revere offers worldwide service stations for Imperial Immersion Suits for pressure-testing and inspection. Suits must be in a serviceable condition at all times. The pressure test can reveal leaks that can't be seen with the naked eye. A well maintained suit greatly increases your chances of survival, will last longer, and saves you time and money in the long run.

Call 1-800-REVERE8 for a list of service stations in your area (001 904 786 0033 if outside the US).

## History

The Imperial Immersion Suit by Revere has the longest running history in the US Marine Market than any other suit. It was invented in 1969 by Gunnar Guddal, and is in fact the first suit ever of its kind. The legacy continues today as the lives of countless owners of Imperial suits continue to be saved. The contribution of this suit to maritime safety and survival is truly unprecedented.
